

# LAPORAN PROJECT UAS

## Membuat database di phpmyadmin

## Pengelolaan kas

## Tampilan home

The screenshot shows the 'Pengelolaan Kas' (Cash Management) application interface. The top navigation bar is green with the title 'Pengelolaan Kas' and a date 'Date : 14-01-2023'. A red button labeled 'Keluar' is in the top right. The left sidebar is dark blue with a user profile icon labeled 'ADMIN' and a menu with options: Dashboard, Kas Masuk, Kas Keluar, Rekapitulasi Kas, and Support. The main content area has a green header 'Data Kas Masuk' with a '+ Tambah' button. Below this is a table with columns: No., Kode, Tanggal, Keterangan, Jumlah, and Aksi. The table contains one entry with No. 1, Kode 312110221, Tanggal 14 January 2023, Keterangan aktif, and Jumlah 50,000,-. Below the table, it shows 'Total Kas Masuk : Rp.50,000,-' and 'Showing 1 to 1 of 1 entries'. The footer includes copyright information and a Windows activation watermark.

No.	Kode	Tanggal	Keterangan	Jumlah	Aksi
1	312110221	14 January 2023	aktif	50,000,-	 

Total Kas Masuk : Rp.50,000,-

Showing 1 to 1 of 1 entries

## Tampilan kas masuk

This screenshot shows the same 'Pengelolaan Kas' application but with a different entry in the 'Data Kas Masuk' table. The entry has No. 1, Kode 1165, Tanggal 19 August 2018, Keterangan test keluar, and Jumlah 25,000,-. The total is 'Total Kas Keluar : Rp.25,000,-'. The interface elements like the sidebar, top bar, and footer are identical to the previous screenshot.

No.	Kode	Tanggal	Keterangan	Jumlah	Aksi
1	1165	19 August 2018	test keluar	25,000,-	 

Total Kas Keluar : Rp.25,000,-

Showing 1 to 1 of 1 entries
